Die Liste wird nach den folgenden Regeln erstellt:

- Jeder Läufer erhält pro absolvierten Wettkampf Punkte, die sich nach folgender Formel berechnen:

(Zeit des Siegers in diesem Wettkampf) / (eigene Zeit) \* 100.

- Die Punkte aller absolvierten Wettkämpfe werden addiert.

Diese Regelung führt dazu, daß gute Läufer, die noch nicht so lange dabei sind, sich erst durch mehrere Teilnahmen "hoch kämpfen" müssen.
